In pursuance of Government Order No. E. 2793-94—Edn. 213-43-2, dated 2nd December 1944, prescribing the procedure to be followed in accounting for the transactions relating to the Primary Education in the State, and permitting the discontinuance of the maintenance of detailed accounts of the funds in the offices of the Elementary Education and dispensing with the countersignature of the Bills relating to the Elementary Education Funds by the Elementary Education Officers, the following instructions are issued for the guidance of Treasuries from 1st January 1945:—

Receipts.—All the receipts connected with the Primary Education, including Education Cess, which were hitherto being credited to the head "Elementary Education Fund" in the Treasury Accounts, will hereafter be credited to the remittance head "35. *Remittances-Education Department-Payments into the Treasuries*", and the receipts relating to Elementary Education Fund will be entered in a separate column to be opened for the purpose in the Subsidiary Register of Receipts (Form 107, M. C. A. C., Vol. II). For the present, the receipts may be booked in Column 10 of the Schedule (as there are no receipts under the head "13. Miscellaneous Book Depot-Sale Proceeds of Books, Maps and other Publications") till new forms are printed with an additional column for this purpose under the head "Debt and Remittances".

Payments.—As the system of countersignature of the bills relating to the Elementary Education Fund by the Elementary Education Officers or by the Assistant Inspectors (in the case of the bills of Primary Schools in the Bangalore and Mysore Cities, and the Kolar Gold Fields Sanitary Board Area) is to be discontinued, the Establishment Pay Bills relating to Primary Schools and of the Offices of the Assistant Inspectors of Education commencing from the bills for December 1944 payable in January 1945, drawn by the concerned Assistant Inspectors or the Heads of Primary Schools in the Cities of Bangalore and Mysore, and Kolar Gold Field Sanitary Board Area will be cashed by the Treasury Officers without countersignature by the Elementary Education Officers or the Assistant Inspectors, as the case may be, and charged to the Education Lists of Payments in the same manner as bills relating to the Institutions and Offices of the Education Department proper.

(2) The chellans and vouchers connected with the Receipts and Payments, respectively, of the Primary Education accounted for as above will be forwarded to the Director of Public Instruction, Financial Branch, along with the General Accounts of the Education Department.

GOVERNMENT OF INDIA.

(FINANCE DEPARTMENT).

Notification dated 15th January 1945.

Letter No. D. 7806 B—44, dated 19th November 1944, from the Under Secretary to the Government of India, New Delhi, to the Financial Secretaries to all Provincial Governments and all Chief Commissioners.

Subject :—Small Savings Scheme.

I am directed to refer you to this Department letter No. D. 4532—M—44, dated the 29th of May 1944, and to say that it has been represented to the Government of India that considerable delay takes place in some Treasuries when payment is made on unfinished Receipt Books and that such payment is only made after the endorsement "Checked and Commission paid" to be made on the counterfoil, has been countersigned by the Deputy Commissioner or other District Officer. It was not the intention of the letter under reference to enforce such countersignature. The original orders issued in this Department letter No. F. 17 (189) F—43, dated 27th of November 1943, provide for the checking of the counterfoils of the Receipt Books by "Checking Authorities" of the small Savings Scheme before their presentation at the Treasury for payment of the commission. It has now been decided that for unfinished Receipt Books, the Treasury should check the counterfoils on which payment is to be made, to see that the reverse of each counterfoil has been duly completed by the Postal Authorities and the receipt of the investor obtained, and if these are in order, pay the sum due. If not, payment should be refused and the claimant be referred to the "Checking Officer." When, however, a book has been exhausted (all the receipt forms used), the Treasury shall pay, only on presentation of the book with the last counterfoil duly completed by the local "Checking Officer." In short the Treasury Officer will exercise a check in respect of the counterfoils on which commission is claimed in a partially used book, but when the book is completely used, will not pay any balance due, without the book having been examined and checked by the "Checking Officer."

2. There are instances in which an Agent resigns or is dismissed before his Receipt Book has been finished. In order to avoid wastage of paper it has been decided that such unfinished books may be re-issued to another Agent. In such cases the name and address appearing on the counterfoil of page 1 of the Receipt book will be scored out and replaced by the name and address of the new Agent, to whom the partially used book is issued under the signature of the Issuing Authority and a manuscript receipt for the partially used book in the form at page 1 can be taken from the new Agent, which receipt will show the actual number of unused receipt forms he received in lieu of the printed number shown on page 1, which is the number in a complete book.

GOVERNMENT OF INDIA.

(FINANCE DEPARTMENT).

Notification dated 15th January 1945.

Letter No. D. 7806 B—44, dated 19th November 1944, from the Under Secretary to the Government of India, New Delhi, to the Financial Secretaries to all Provincial Governments and all Chief Commissioners.

Subject :—Small Savings Scheme.

I am directed to refer you to this Department letter No. D. 4532—M—44, dated the 29th of May 1944, and to say that it has been represented to the Government of India that considerable delay takes place in some Treasuries when payment is made on unfinished Receipt Books and that such payment is only made after the endorsement "Checked and Commission paid" to be made on the counterfoil, has been countersigned by the Deputy Commissioner or other District Officer. It was not the intention of the letter under reference to enforce such countersignature. The original orders issued in this Department letter No. F. 17 (169) F—43, dated 27th of November 1943, provide for the checking of the counterfoils of the Receipt Books by "Checking Authorities" of the small Savings Scheme before their presentation at the Treasury for payment of the commission. It has now been decided that for unfinished Receipt Books, the Treasury should check the counterfoils on which payment is to be made, to see that the reverse of each counterfoil has been duly completed by the Postal Authorities and the receipt of the investor obtained, and if these are in order, pay the sum due. If not, payment should be refused and the claimant be referred to the "Checking Officer." When, however, a book has been exhausted (all the receipt forms used), the Treasury shall pay, only on presentation of the book with the last counterfoil duly completed by the local "Checking Officer." In short the Treasury Officer will exercise a check in respect of the counterfoils on which commission is claimed in a partially used book, but when the book is completely used, will not pay any balance due, without the book having been examined and checked by the "Checking Officer."

2. There are instances in which an Agent resigns or is dismissed before his Receipt Book has been finished. In order to avoid wastage of paper it has been decided that such unfinished books may be re-issued to another Agent. In such cases the name and address appearing on the counterfoil of page 1 of the Receipt book will be scored out and replaced by the name and address of the new Agent, to whom the partially used book is issued under the signature of the Issuing Authority and a manuscript receipt for the partially used book in the form at page 1 can be taken from the new Agent, which receipt will show the actual number of unused receipt forms he received in lieu of the printed number shown on page 1, which is the number in a complete book.

MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE SECRETARY, INSURANCE DEPARTMENT, BANGALORE.

(OFFICIAL BRANCH.)

To

The Heads of All Offices.

Sir,

I am directed to state that nomination is not availed of by the insured to the extent expected in this office circular No. 41 of 27th May 1909 and to request therefore that the advantage and importance of registry of nomination during the life time of the insured may be impressed on all members of your establishment.

It has been noticed that considerable delay occurs in the payment of the sums Assured due on Policies held by deceased Insured persons who have failed during their life-time to register the names of their nominees, while in cases in which such names have been registered no such delay has been found to occur.

The cause for this delay appears to be the inconvenience, trouble and expense involved in securing an heirship certificate. If the insured persons would therefore register the names of their nominees during their life-time, all such inconvenience and expense would be avoided and the intended benefits of insurance would reach the heirs as quickly as possible. Nothing is lost by registering the names of nominees but a very great advantage is secured. The mode of registering the name of a nominee is very simple and is laid down in Rule 23-A (Official Branch). Nominations are registered free of charge.

Rules 23 (para 1 and 2) and 23-A are hereby published overleaf for general information.

These rules may be made as widely known as possible and the insured persons advised in the interest of their heirs to register the names of their nominees in the manner therein laid down. Nominations once made are not absolute, and can be altered from time to time agreeably to the wish of the Insured.

The Policies held should accompany nomination applications for the needful endorsement.

I have the honour to be,
Sir,
Your most obedient servant,

M. SHAMANNA,
Secretary.

Under rule 23 of the Government Life Insurance Rules, "if the insured is dead, the sum assured will be paid to the person or persons, whom the insured had nominated during his life-time and registered in the Insurance Office. In either case, the assured amount may, if so desired, be paid partly or wholly in the form of annuities. (G. O. No. Fl. 2964-5—G. F. 192-27-6, dated 10—12th October 1928).

If no such nomination has been made and the sum assured payable exceeds two thousand rupees, it will be paid to the person or persons, declared by a competent Court of Law in the Mysore State to be entitled to receive it, but if the sum assured does not exceed two thousand rupees and no notice from any Civil Court to withhold payment has been received, it will be paid to the person or persons, whom the President of the Insurance Committee, after reasonable enquiry, finds to be entitled to receive it. (G. O. No. Fl. 1563-4—G. F., dated 29—30th August 1930).

23-A. The nomination referred to in Rule 23 shall be in the form of an application addressed and forwarded to the Secretary, Insurance Committee, after being signed by the applicant in the presence of the applicant's official superior or a Gazetted Officer of the Mysore Government who should certify to the identity of the applicant or before a Magistrate in the presence of two witnesses. A nomination shall not be considered valid if it has not been accepted by the Deputy Secretary in ordinary cases and by the President or the Committee in cases which present special features. (Order No. Fl. 5028—G. F. 29-23-10, dated 7—13th March 1924).

PUBLIC BRANCH.

To *Circular No.* 141.

The Heads of all Offices, Helpers and the Insured persons of the Mysore Government Life Insurance Department.

Sir,

It has been noticed for some time that considerable delay occurs in the payment of the sums assured due on Policies held by deceased Insured persons who have failed during their life-time to register the name of their nominees, while in cases in which such names have been registered, no such delay has been found to occur.

The cause for this delay appears to be the inconvenience, trouble and expense involved in securing an heirship certificate. If the insured persons would therefore register the names of their nominees during their life-time, all such inconvenience and expense would be avoided and the intended benefits of insurance would reach the survivors as quickly as possible. Nothing is lost by registering the names of the nominees but a very great advantage is secured. The importance of registry of nomination, is therefore, impressed on all insured members.

The mode of registering the name of a nominee is very simple and is laid down in Rule 22 (Public Branch). Rules 21, 21 (ii) and 22 are hereby published

hereunder for geneneral information. Nominations are registered free of charge.

These rules have been published now in the Gazette so that they may be known as widely as possible and the insured persons advised in the interest of their heirs to register the names of their nominees in the manner therein laid down. An insured person making a nomination may cancel it or make a different nomination at any time.

The policies held should accompany nomination applications for the needful endorsement.

Yours faithfully,

M. SHAMANNA,
Secretary.

Under rule 21 of the Government Life Insurance Rules, "Provided no notice to the contrary has been served on the Secretary by a Competent Court of Law in the Mysore State, the sum payable on a policy issued under these rules shall, on surrender of the Policy in original or a duplicate thereof obtained as per rule 25 (*a*) and reversionary bonus certificates, if any, and subject, in the case of a claim arising by death of the insured, to the production of satisfactory proofs of death, be paid at any Government Treasury within the State,—

21. (ii) if the claim arises by death of the insured to the surviving nominee or nominees, if any, registered under rule 22; and failing such nominees to the legal heirs declared as such by a Competent Court of Law in the Mysore State.

22. A policy holder may nominate any person or persons, to receive the amount payable on it in case of his death. Such nomination which should be in the prescribed form shall, on receipt of a notice thereof, be registered by the Secretary in the books of his office.

Notification dated 17th January 1945.

From an examination of the Trade Statistics respect of chillies for the last several years it is seen that Mysore State is heavily deficit for this commodity. 2. It is true that particular kinds of chillies were being imported, while other kinds locally grown but not fancied locally were being exported. But as imports are totally cut off, exports have also to be prohibited.

3. In order to avoid the possibility of any shortage of supplies in the State and also with a view to conserve the indegenous production so as to make it available to the public at large in adequate quantities and at reasonable prices no exports of chillies can be allowed. OFFICE OF THE RATIONING OFFICER, BANGALORE CITY.

Notification dated 31st January 1945.

No. A4. 190—C.-1534 - 44-45. In partial modification of his office Notification No. A4.-190-C-1534—44-45, dated 19th December 1944, it is hereby directed that the declarations called for from the landholders who import foodgrains into Bangalore City will be filed "Quarterly" instead of monthly as already notified, in the months of April, July and October 1945 and January 1946.

2. Several landlords having represented that it would be difficult for them to be submitting a monthly declaration, this modification has been ordered, in the hope, that the landlords will, nevertheless, keep a close and more frequent watch on their rice stocks and see that the stocks are not depleted earlier than schedule. In this connection the attention of the landlords concerned is hereby drawn, to the absolute necessity of their accustoming themselves and the members of their families to the utilisation of wheat quotas allowed on their cards, lest the draw on the rice stocks with them, be more than the quantity allowed for consumption per capita.

3. The undersigned desires it to be definitely understood, that if, for any reason, the stocks of rice were to be exhausted earlier than schedule, the landlords concerned stand no chance of getting more rice before the next season.

GOVERNMENT OF INDIA.

(FINANCE DEPARTMENT).

Notification dated 15th January 1945.

Letter No. D. 7806 B—44, dated 19th November 1944, from the Under Secretary to the Government of India, New Delhi, to the Financial Secretaries to all Provincial Governments and all Chief Commissioners.

Subject :—Small Savings Scheme.

I am directed to refer you to this Department letter No. D. 4532—M—44, dated the 29th of May 1944, and to say that it has been represented to the Government of India that considerable delay takes place in some Treasuries when payment is made on unfinished Receipt Books and that such payment is only made after the endorsement "Checked and Commission paid" to be made on the counterfoil, has been countersigned by the Deputy Commissioner or other District Officer. It was not the intention of the letter under reference to enforce such countersignature. The original orders issued in this Department letter No. F. 17 (139) F—43, dated 27th of November 1943, provide for the checking of the counterfoils of the Receipt Books by "Checking Authorities" of the small Savings Scheme before their presentation at the Treasury for payment of the commission. It has now been decided that for unfinished Receipt Books, the Treasury should check the counterfoils on which payment is to be made, to see that the reverse of each counterfoil has been duly completed by the Postal Authorities and the receipt of the investor obtained, and if these are in order, pay the sum due. If not, payment should be refused and the claimant be referred to the "Checking Officer." When, however, a book has been exhausted (all the receipt forms used), the Treasury shall pay, only on presentation of the book with the last counterfoil duly completed by the local "Checking Officer." In short the Treasury Officer will exercise a check in respect of the counterfoils on which commission is claimed in a partially used book, but when the book is completely used, will not pay any balance due, without the book having been examined and checked by the "Checking Officer."

2. There are instances in which an Agent resigns or is dismissed before his Receipt Book has been finished. In order to avoid wastage of paper it has been decided that such unfinished books may be re-issued to another Agent. In such cases the name and address appearing on the counterfoil of page 1 of the Receipt book will be scored out and replaced by the name and address of the new Agent, to whom the partially used book is issued under the signature of the Issuing Authority and a manuscript receipt for the partially used book in the form at page 1 can be taken from the new Agent, which receipt will show the actual number of unused receipt forms he received in lieu of the printed number shown on page 1, which is the number in a complete book.

MISCELLANEOUS DEPARTMENT

OFFICE OF THE DIRECTOR OF FOOD SUPPLIES IN MYSORE, BANGALORE.

Notification dated 17th January 1945.

From an examination of the Trade Statistics respect of chillies for the last several years it is seen that Mysore State is heavily deficit for this commodity. The local production being inadequate imports were far in excess of exports. Now, however, partly due to difficulties of transport created by the war and in the main owing to restrictions on exports imposed by the adjoining Governments, the normal imports into the State are cut off.

2. It is true that particular kinds of chillies were being imported, while other kinds locally grown but not fancied locally were being exported. But as imports are totally cut off, exports have also to be prohibited.

3. In order to avoid the possibility of any shortage of supplies in the State and also with a view to conserve the indegenous production so as to make it available to the public at large in adequate quantities and at reasonable prices no exports of chillies can be allowed. The public are hereby informed that applications received for export of chillies will receive no attention of this office, until there is a change in the present conditions.

K. SRINIVASAN,
5520 *Additional Director of Food Supplies.*

OFFICE OF THE SECRETARY, INSURANCE DEPARTMENT, BANGALORE.

(OFFICIAL BRANCH.)

To

The Heads of All Offices.

Sir,

I am directed to state that nomination is not availed of by the insured to the extent expected in this office circular No. 41 of 27th May 1909 and to request therefore that the advantage and importance of registry of nomination during the life time of the insured may be impressed on all members of your establishment.

It has been noticed that considerable delay occurs in the payment of the sums Assured due on Policies

held by deceased Insured persons who have failed during their life-time to register the names of their nominees, while in cases in which such names have been registered no such delay has been found to occur.

The cause for this delay appears to be the inconvenience, trouble and expense involved in securing an heirship certificate. If the insured persons would therefore register the names of their nominees during their life-time, all such inconvenience and expense would be avoided and the intended benefits of insurance would reach the heirs as quickly as possible. Nothing is lost by registering the names of nominees but a very great advantage is secured. The mode of registering the name of a nominee is very simple and is laid down in Rule 23-A (Official Branch). Nominations are registered free of charge.

Rules 23 (para 1 and 2) and 23-A are hereby published overleaf for general information.

These rules may be made as widely known as possible and the insured persons advised in the interest of their heirs to register the names of their nominees in the manner therein laid down. Nominations once made are not absolute, and can be altered from time to time agreeably to the wish of the Insured.

The Policies held should accompany nomination applications for the needful endorsement.

I have the honour to be,
Sir,
Your most obedient servant,
M. SHAMANNA,
Secretary.

Under rule 23 of the Government Life Insurance Rules, "if the insured is dead, the sum assured will be paid to the person or persons, whom the insured had nominated during his life-time and registered in the Insurance Office. In either case, the assured amount may, if so desired, be paid partly or wholly in the form of annuities. (G. O. No. Fl. 2964-5—G. F. 192-27-6, dated 10—12th October 1928).

If no such nomination has been made and the sum assured payable exceeds two thousand rupees, it will be paid to the person or persons, declared by a competent Court of Law in the Mysore State to be entitled to receive it, but if the sum assured does not exceed two thousand rupees and no notice from any Civil Court to withhold payment has been received, it will be paid to the person or persons, whom the President of the Insurance Committee, after reasonable enquiry, finds to be entitled to receive it. (G. O. No. Fl. 1563-4—G. F., dated 29—30th August 1930).

23-A. The nomination referred to in Rule 23 shall be in the form of an application addressed and forwarded to the Secretary, Insurance Committee, after being signed by the applicant in the presence of the applicant's official superior or a Gazetted Officer of the Mysore Government who should certify to the identity of the applicant or before a Magistrate in the presence of two witnesses. A nomination shall not be considered valid if it has not been accepted by the Deputy Secretary in ordinary cases and by the President or the Committee in cases which present special features. (Order No. Fl. 5028—G. F. 29-23-10, dated 7—13th March 1924).

PUBLIC BRANCH.

To *Circular No.* 141.

The Heads of all Offices, Helpers and the Insured persons of the Mysore Government Life Insurance Department.

Sir,

It has been noticed for some time that considerable delay occurs in the payment of the sums assured due on Policies held by deceased Insured persons who have failed during their life-time to register the name of their nominees, while in cases in which such names have been registered, no such delay has been found to occur.

The cause for this delay appears to be the inconvenience, trouble and expense involved in securing an heirship certificate. If the insured persons would therefore register the names of their nominees during their life-time, all such inconvenience and expense would be avoided and the intended benefits of insurance would reach the survivors as quickly as possible. Nothing is lost by registering the names of the nominees but a very great advantage is secured. The importance of registry of nomination, is therefore, impressed on all insured members.

The mode of registering the name of a nominee is very simple and is laid down in Rule 22 (Public Branch). Rules 21, 21 (ii) and 22 are hereby published hereunder for geneneral information. Nominations are registered free of charge.

These rules have been published now in the Gazette so that they may be known as widely as possible and the insured persons advised in the interest of their heirs to register the names of their nominees in the manner therein laid down. An insured person making a nomination may cancel it or make a different nomination at any time.

The policies held should accompany nomination applications for the needful endorsement.

Yours faithfully,
M. SHAMANNA,
Secretary.

Under rule 21 of the Government Life Insurance Rules, "Provided no notice to the contrary has been served on the Secretary by a Competent Court of Law in the Mysore State, the sum payable on a policy issued under these rules shall, on surrender of the Policy in original or a duplicate thereof obtained as per rule 25 (*a*) and reversionary bonus certificates, if any, and subject, in the case of a claim arising by death of the insured, to the production of satisfactory proofs of death, be paid at any Government Treasury within the State,—

21. (ii) if the claim arises by death of the insured to the surviving nominee or nominees, if any, registered under rule 22; and failing such nominees to the legal heirs declared as such by a Competent Court of Law in the Mysore State.

22. A policy holder may nominate any person or persons, to receive the amount payable on it in case of his death. Such nomination which should be in the prescribed form shall, on receipt of a notice thereof, be registered by the Secretary in the books of his office.

OFFICE OF THE SECRETARY, INSURANCE DEPARTMENT, BANGALORE.
(OFFICIAL BRANCH.)

To

The Heads of All Offices.

Sir,

I am directed to state that nomination is not availed of by the insured to the extent expected in this office circular No. 41 of 27th May 1909 and to request therefore that the advantage and importance of registry of nomination during the life time of the insured may be impressed on all members of your establishment.

It has been noticed that considerable delay occurs in the payment of the sums Assured due on Policies held by deceased Insured persons who have failed during their life-time to register the names of their nominees, while in cases in which such names have been registered no such delay has been found to occur.

The cause for this delay appears to be the inconvenience, trouble and expense involved in securing an heirship certificate. If the insured persons would therefore register the names of their nominees during their life time, all such inconvenience and expense would be avoided and the intended benefits of insurance would reach the heirs as quickly as possible. Nothing is lost by registering the names of nominees but a very great advantag is secured. The mode of registering the name of a nominee is very simple and is laid down in Rule 23-A (Official Branch). Nominations are registered free of charge.

Rules 23 (para 1 and 2) and 23-A are hereby published overleaf for general information.

These rules may be made as widely known as possible and the insured persons advised in the interest of their heirs to register the names of their nominees in the manner therein laid down. Nominations once made are not absolute, and can be altered from time to time agreeably to the wish of the Insured.

The Policies held should accompany nomination applications for the needful endorsement.

I have the honour to be,
Sir,
Your most obedient servant,
M. SHAMANNA,
Secretary.

Under rule 23 of the Government Life Insurance Rules, "If the insured is dead, the sum assured will be paid to the person or persons, whom the insured had nominated during his life-time and registered in the Insurance Office. In either case, the assured amount may, if so desired, be paid partly or wholly in the form of annuities. (G. O. No Fl. 2964-5—G. F. 192-27-6, dated 10—12th October 1928).

If no such nomination has been made and the sum assured payable exceeds two thousand rupees, it will be paid to the person or persons, declared by a competent Court of Law in the Mysore State to be entitled to receive it, but if the sum assured does not exceed two thousand rupees and no notice from any Civil Court to withhold payment has been received, it will be paid to the person or persons, whom the President of the Insurance Committee, after reasonable enquiry, finds to be entitled to receive it. (G. O. No. Fl. 156 -4—G. F., dated 29—30th August 1930).

23-A. The nomination referred to in Rule 23 shall be in the form of an application addressed and forwarded to the Secretary, Insurance Committee, after being signed by the applicant in the presence of the applicant's official superior or a Gazetted Officer of the Mysore Government who should certify to the identity of the applicant or before a Magistrate in the presence of two witnesses. A nomination shall not be considered valid if it has not been accepted by the Deputy Secretary in ordinary cases and by the President or the Committee in cases which present special features. (Order No. Fl. 5028—G. F. 29-23-10, dated 7—13th March 1924).

PUBLIC BRANCH.

To *Circular No. 141.*

The Heads of all Offices, Helpers and the Insured persons of the Mysore Government Life Insurance Department.

Sir,

It has been noticed for some time that considerable delay occurs in the payment of the sums assured due on Policies held by deceased Insured persons who have failed during their life-time to register the name of their nominees, while in cases in which such names have been registered, no such delay has been found to occur.

The cause for this delay appears to be the inconvenience, trouble and expense involved in securing an heirship certificate. If the insured persons would therefore register the names of their nominees during their life-time, all such inconvenience and expense would be avoided and the intended benefits of insurance would reach the survivors as quickly as possible. Nothing is lost by registering the names of the nominees but a very great advantage is secured. The importance of registry of nomination, is therefore, impressed on all insured members.

The mode of registering the name of a nominee is very simple and is laid down in Rule 22 (Public Branch). Rules 21, 21 (ii) and 22 are hereby published hereunder for geneneral information. Nominations are registered free of charge.

These rules have been published now in the Gazette so that they may be known as widely as possible and the insured persons advised in the interest of their heirs to register the names of their nominees in the manner therein laid down. An insured person making a nomination may cancel it or make a different nomination at any time.

The policies held should accompany nomination applications for the needful endorsement.

Yours faithfully,
M. SHAMANNA,
Secretary.

Under rule 21 of the Government Life Insurance Rules. "Provided no notice to the contrary has been served on the Secretary by a Competent Court of Law in the Mysore State, the sum payable on a policy issued under these rules shall, on surrender of the Policy in original or a duplicate thereof obtained as per rule 25 (*a*) and reversionary bonus certificates, if any, and subject, in the case of a claim arising by death of the insured, to the production of satisfactory proofs of death, be paid at any Government Treasury within the State,—

21. (ii) if the claim arises by death of the insured to the surviving nominee or nominees, if any, registered under rule 22; and failing such nominees to the legal heirs declared as such by a Competent Court of Law in the Mysore State.

22. A policy holder may nominate any person or persons, to receive the amount payable on it in case of his death Such nomination which should be in the prescribed form shall on receipt of a notice thereof, be registered by the Secretary in the books of his office.

The Treasuries will credit all the receipts to the head "Inter-village Communications Fund" opened in the Treasury accounts and submit the relative schedules along with the concerned chellans to the Audit Office along with the monthly accounts.

Expenditure—The expenditure will usually fall under (i) Establishment, (ii) T. A., and (iii) Works outlay. Items (i) and (ii) will be drawn in the usual way as in other cases and charged to the head "Inter-village Communications Fund" noting the head in bold letters on the top of the bills.

(iii) *Works Expenditure*—(*a*) *Estimates.*—There should be a regularly sanctioned estimate for each work undertaken for execution, sanctions the eto being accorded by the various authorities empowered to do so to the limits fixed in para 4 of the Government Order quoted above. A list of sanctions to the estimates sanctioned by the Revenue Sub-Division Officers and those sanctioned by the Deputy Commissioner may be sent through the Revenue Commissioner so as to reach the Audit Office in the first week of the following month. A similar list of estimates sanctioned by the Revenue Commissioner has also to be sent by that officer in whose return the sanctions by Government have to be included showing the latter distinctly and separately.

(*a*) *Execution of Works.*—The execution of works, formation, improvements and maintenance works, will be carried out by the Revenue Department, in accordance with the instructions issued in para 2 (i) to (v) of the Government order referred to above. While letting out contracts, especially in the case of works costing more than Rs. 500 tender system has to be followed, the powers of acceptance of tenders being the same as the powers to sanction the estimates. In the case of works entrusted to contractors, regular agreements are to be obtained specifying the conditions necessary to safeguard Government against loss and recorded before works are permitted to be started. A register of such agreements entered into is to be maintained in the Deputy Commissioner's Office.

(*c*) *Forms of Bills for payments to contractors.*—Works done by the contractors or other agency will be duly measured and recorded in a measurement book by the subordinates in charge and billed for in bill forms adopted in the P.W.D. for road works with bold printing at the top "Payable at Treasury" and also head of account "Inter-village Communication Fund" printed conspicuously as in the case of bill forms for Rural Water Supply Fund Works.

The measurements of each bill have to be check measured by the Amildar before payment and after such check and scrutiny with reference to sanctioned estimate the bill will be passed by the Deputy Commissioner for payment at the Treasury which will make payment after obtaining necessary acknowledgment of the party on the bill.

The rules obtaining in the P. W. Accounts Code regarding preparation of bill, check measurements and payments and record of progress on works, etc, will have to be scrupulously followed except that payment will be authorised on the bill instead of on a pass order in P. W. D.

(*d*) *Maintenance of Accounts.*—The Deputy Commissioner as a drawer will maintain in his office necessary registers and accounts in respect of these transactions such as register of measurement books, register of sanctions to estimates, register of agreements, register of works, register of contributions recoverable from Village Panchayets, etc. The Deputy Commissioner will send monthly to the Audit Office by 10th of the following month a plus and minus memo of the fund account, a list of works completed (a nil statement being sent when no works are completed) in the form prescribed for Rural Water Supply Works in this Office Circular No. 286—B. II, dated 26th November 1938. A half-yearly progress report on works in progress may be prepared in duplicate and one copy sent to Audit Office, the other being sent to the Revenue Commissioner for his information as prescribed in para 9 of G. O. of 19th June 1944.
